Celebrating Life

Group of Love

Good Samaritan Sketch

Family Conference

Dear Prayer Partners,

This month, I come to you with a special prayer request and a burdened heart. Finances at the Bethesda Children Homes are very tight. Prices for basic needs have risen substantially. Some local stores have begun price gouging this year. In both September and October, we had to dip use emergency funds to meet needs. Would you help us pray, and give if the Lord allows you?

We would like to give our children a Christmas party, a nice meal, and a gift for each one. Additionally, by Mexican law, we are required to give each employee an additional month's salary as a Christmas bonus. In the past, we have been able to cover both expenses for about $8,000 US Dollars. This year, we are looking at nearly $20,000 US Dollars. Would you prayerfully consider helping us with a special Christmas offering or a year-end gift?

The kids have had so much fun during our "Days of Celebrating Life," our alternative to the local "Days of the Dead." They have been divided into eight groups to compete against each other in sports, Bible question and answer sessions, sketches, singing groups, art, Bible memory, and poetry. Tomorrow, the winning groups will be announced and they are very excited!

Our church in Tlapa also decided to make the Halloween weekend a time of celebrating life instead of concentrating on the occult. We had a special family conference with Pastor Luis Ramos and Pastor and Mrs. Gante. They even asked me to teach one session to the ladies. Our kids loved the conference. They want to have Christian homes of their own someday. God has been sending us many blessings, and we are so thankful!

It is such a privilege to serve the Lord. I am so honored He has allowed me to be involved in this ministry. There definitely are challenges sometimes, but there is also peace in my heart knowing that God is working even in these difficulties. To God be the glory!

Because He first loved us,

Becky Patterson
