## *Missionary to Missionary Care*

### Busy Busy Summer!

Six missionary families contacted us over the past three months asking to spend time with us here on Lake Granbury at Shepherd's Missionary House in Granbury, Texas. Missionaries have poured their hearts out to us during their visits. What an honor to serve them.

Covid made it impossible to attend the Advance Missionary Training in Springfield, Missouri. I taught the class on Missionary Stress and Burnout via Zoom.

### Missionary Kid's Kayaking

Every Monday morning Kathy and I join Pastor Jon Haley as we Zoom with missionaries. Here we are closing in prayer. We Zoom several times a week with missionaries around the world.

During these trying Covid times, we are finding alternative ways to reach out to missionaries offering them a listening ear, Professional Life Coaching, counsel, and care. **Most of all, pointing us all to the Cross. Jesus is our example on how to find purpose in such trials.**

**Without you,** none of this would be possible. Thank you for your prayers, support, and friendships.
