## *Missionary to Missionary Care*

Last month we visited **Eden Ridge Missionary Retreat Center in Crab Orchard, Tennessee.**

Our purpose was to check out the facility, meet the staff, and **see if we could recommended the Retreat Center to missionaries.**

**Success! After staying in a luxury cabin nestled in the Blue Ridge Mountains, we were hooked.**

## **New Missionary Couple to Beirut, Lebanon**

Kathy and I were privileged to be **part of a prayer send off for a couple heading to Beirut, Lebanon.** After selling their belongings and raising their support, **this couple in their mid-fifties, leave for a devastated city to bring relief and hope to a destitute people.** Because of the nature of their work, we can't share their names or photos.

Ben Walker is the pastor of **Story Church** in Christchurch, New Zealand. He asked me to speak on the topic **Mental Health in an Unhealthy World** in their livestream service. He messaged me to say that they've received the highest number of views on their livestream.

**Without you,** none of this would be possible. Thank you for your prayers, support, and friendships. **Habakkuk 3:18-20 & 2 Corinthians 12:8-10**
