NEW CHURCH PLANT *That Riches May Abound to Your Account*

NEW CHURCH PLANT REPORT

New Zealand is still at Level 2 - which is still a "police state" - and we are currently being warned that we may be placed at FULL lockdown again, at a moment's notice. However, during this time we are focusing on what we can do. We are thankful for each week we are able to be open and trying to get as much done as we can. Each week we are having families visit and are excited about what God is doing. Last week, (*are you ready for this?*) we had 45 chairs out and they were full, and people were still coming in. As I looked up, several families were starting to sit in the bleachers because the chairs were full. Thank you Jesus.

Prayer Really Does Matter

Can We Share A Blessing?

We've had been praying about a nice Printer for our Ministry-something for certificates, etc. Not knowing how we could do it, but convinced it was something God wanted us to do. **I just love how God works** - We stood there admiring one on sale for \$699.00 (Gulp). I ask the lady if she had any others and she said, "Don't you like that one?" "Of course," I replied. It was a top of the line model. She said, "Then it's yours" - "Yeah, but how much?" I replied. "**FREE**" she said. She went on to tell us that they had made a decision to donate one that day and it was her job to do it. And then, we showed up. We were only there a few moments! She had never met us & didn't know our name or that we were with the church. **But God did**

Thank you Lord.

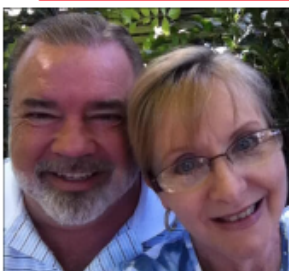

Your Prayers Matter

Starting a new work brings with it a lot of stresses - stresses that are worth it, but still, *stresses*. You are literally EVERYTHING: Church planter, preacher, counsellor, music coordinator, secretary, maintenance, discipleship teacher, etc., etc. You get the idea - but can I say this,

IT IS SO WORTH IT!!!

As we plant this new work we are constantly amazed at how God provides, encourages & brings people in who have heard about us in ways we could not foresee, and how He sustains us through all the challenges and endless hours of work. And, we know why, because of God's love and the faithful prayers of the saints.

We are SO VERY Thankful for your prayers.
