

WEED FAMILY

FROM **NICARAGUA** TO
ALL OF LATIN AMERICA

Pastor Leonard and friends of the Jubilee Fellowship,

As you know, GOD IS SO GOOD! And, He has been especially kind to Rachael and I on the mission field. The ministry has shifted to ALL of Latin America. The BBFI, our organization “Familia Avance” and Trailhead International formed a VERY strategic partnership. Rachael and I are now the Directors to all of Latin America. Our target is underdeveloped regions. Our CORE VALUE is CHURCH PLANTING. We also, (through our church plants) focus on at-risk youth outreach through our organization known as “Avance Sports International”

Right now we are under construction at the Jalapa, Nicaragua church and academy, pulling the final permits to start construction on the Pochocuape, Nicaragua church, getting documents in order to buy land for the Masaya, Nicaragua church, raising funds for a church and sports complex on two properties on the Kuna islands of San Blas, Panama, raising funds for a church / sports complex in Santa Fe, Panama and finalizing talks on the donation of the 45 acres / \$4million property near Ciudad Quesada, Costa Rica for church planting, youth outreach camp and retreat center. We have many other locations in Latin America AND worldwide. We have Avance Sports actively reaching youth in Costa Rica, Cuba, Nicaragua and Panama. In fact in those countries, our youth ministry is typically working with over 8,000 youth. And, we are already making strategic decisions to advance into other countries. In 2021, we will be launching in Belize and Honduras. In 2021 we will be training in Mexico and McFarland, CA. covid-19 permitting. Those who give make these church plants and at-risk youth outreach centers possible by partnering with us as your strategic global partner. Rachael and I are seeking to reach more people through our organization TRAILHEAD LATIN AMERICA. And, 100% of your donations go to the projects due to a foundation in DesMoines, IA. that funds our operations. Why give? 1. church planting 2. evangelism 3. at-risk youth outreach!
