NEW CHURCH PLANT REPORT

The Seed is Being Planted – Prayers are Needed to Water

NEW CHURCH PLANT REPORT

New Zealand is NOW at Level 1 - Nationwide. But, we are still asked to “report” all meetings and use masks, hand sanitizer and officials are constantly checking on us. Sometimes this is a phone call and often it is an official coming to see, in person. We have welcomed this and even been asked spiritual questions by those “checking” on us later. We are going forward full steam and these last two weeks our new Church plant has handed out over 5000 of the booklets, “JESUS SAVES” an excellent booklet on Salvation. We are starting to field questions from every corner in the community about our new work. Please keep us in prayer - because . . .

Prayer Really Does Matter

Blessings

Can We Share A Blessing?

To say this year has been crazy would be an understatement - but really, for us, the last three have all blurred together!! These have been the most trying, demanding years we have faced thus far. **BUT can I also say . . . we have also seen God work in amazing ways during this time.** Our transition to Havelock (where we live now) has put us smack in the middle of the country. This means travel, lots of travel - which means we had begun to spend more and more on auto repairs, until it became a huge burden. We went to God in prayer and guess what? **God HAD IT ALL WORKED OUT - God Gave Us Another CAR!!!** Thank you, **Ventura Jubilee, for your help** - We're so humbled by your generosity **AND, Thank you Lord.**

A Plea for

Prayer is VITAL

Prayer is the most vital element and the most powerful tool available to us today aside from the Word of God. For that reason we come to you and ask for your help with prayer. As we move forward in the NEW Church plant we are dealing with a number of issues we have never really had to deal with before. We are asking that you would pray for us in the areas of

WISDOM and POWER from on high along with PROTECTION

ALSO - could you pray for God to use the 5000 Salvation Tracts just handed out over the last few weeks? Our prayer is that they would take hold in the hearts of many for the glory of the Lord

We are SO VERY Thankful for your prayers.
