## SPECIAL End of Year Report

### 2021 or 2022 Furlough?

A number of churches have been asking about our next furlough and we want to address the matter **briefly**. In short, although we are **not** on a "lock-down" at this moment, the flights from New Zealand and back are VERY expensive - somewhere in the neighbourhood of \$2,500 per person round trip. That's from where we now live to Auckland, then out to LAX and on to Oklahoma and **return**. Then, upon return to NZ there is a two week quarantine that is costing upwards of \$2000. per person. That could change but is the information we have right now. Please keep us in prayer - it is daunting to know that it could be another year or so before these things change. *because . . .*

***We NEED Your Prayer***

### Can We Share A Blessing?

We are praising God - This man and his family recently joined! The Rawitzky's (*ra-witz-keys*) are South African - this is a picture of the dad, Kurt. Saved, Baptized and now coming for membership. WOW! A picture of the entire family is forthcoming. We are so thankful. Praising Jesus & Sharing!!

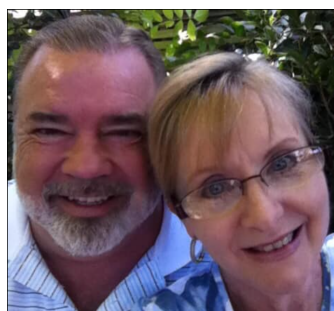

### Prayer is VITAL

*Please prayer For Andre*

This Sunday Andre accepted Christ as His Savior and after Church a horrific tragedy occurred to his family. Please pray for this dear man and his grieving family - ***Your Prayers ARE needed.***
