## *Missionary to Missionary Care*

**Kathy & I have much to be thankful for this Thanksgiving Month!**

**First, we completed intensive training with Safeplace Ministries this past week. Safeplace works with hundreds of missionaries around the world. The training we gained better equips us to help missionaries.**

**Another thanksgiving experience came through International Training Partners during a training session I attended.**

**This is Chokchai. He is from the Hmong people group, and lives in Thailand. Chokchai is a missionary to Laotians in Laos. He asked if I could coach him through a ministry challenge he faced. So, here we are in one of our sessions; me in Texas and him in Thailand. Pretty cool, huh?**
