**January-March 2021**

Dear Praying and Supporting Friends,

Even as the coronavirus pandemic continues its global rampage, we know that Jesus is alive and well and on the throne! We serve an omnipotent King and an everlasting Kingdom!

**Six months of our furlough** have been awesome gift to Zorka and me. After 20-plus years of ministering in Slovakia we have put a time aside focusing on our own emotional, spiritual, and physical needs. Please, join us in prayer for direction of our future commitment to the people of Slovakia in light of current pandemic and post-pandemic era.

<https://meet.jit.si> – kind of gift of technology to humanity – helps us to connect with our Slovak church family during on-line Sunday services. Further, it allows us to communicate with most members on personal basis.

6,000 miles, nor COVID-19 will not shatter our hearts and vision spreading the Good News of Jesus Christ in times like these. We feel we need to go back, at least for the summer, and then return back to USA for the rest of our furlough.

**Thank you** for your continued financial support and faithfully standing before the Throne of His Grace on our behalf while we share the gospel in Slovakia.

For His Utmost High,

*Peter and Zorka Abrman*
