Number **2**

Thank You Lord! *Just as Winter is Arriving - A Place to Meet*

Counting Our Blessings !

For the last ten months we have been out of a building and having to meet in a private location. Each service our people faithfully, gratefully sharing that pasture with farm animals and ALL the natural blessings that go with it.

THANK the LORD - The local school CALLED US and asked if we would like to come back and start meeting there again.

God is so good and your prayers have mattered so very much. Real Missions work is the working Missionary and Church to accomplish His will.

Coming Back for **SHORT Furlough : July-August**

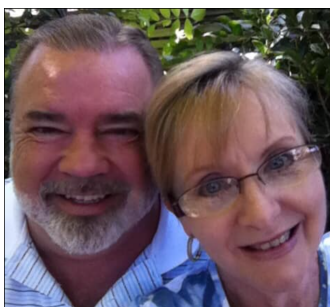

July 18th Paulette and I will be able, for the first time in a long time to come back to the US – this will be a quick trip and we will be attending to medicals, licenses, business and family. Please Prayer for us as we travel.

ALSO - We are both recovering from COVID at this time and for me, a double concussion. After 2 1/2 weeks my sight has finally gone from fuzzy to clear and images are finally more vivid. It's not enough for me to hit my head at speed, I had to do it twice on the way down.

Asking for prayer for

1. **TRAVEL Safety** - July-August Furlough - and that we will be able to get everything done that must be done in a whirlwind trip.
2. **ALSO** – Traveling right now is somewhat unsafe for us – we could get out and be unable to get back in. Having COVID-19 right is a blessing in that if things shut down it might help get us back in if New Zealand closes after we exit.
3. **Our New Converts and Members** - Many of our people are going through tremendous trials in the face of Covid and tremendous spiritual attacks at this time.
