GOOD NEWS for the Unreached Peoples of Pakistan
Making Disciples in Unreached Places - 3 Months Mission Trip

Praise the Lord! He has done great things! These past several months have been a growing experience for our team in Pakistan. The Lord has shown Himself to us in mighty ways. I'd like to share with World Partners a challenging yet important opportunity that has been given to us. Our Lord and Savior has called us to send a team on a mission trip to Unreached Peoples groups in southeastern region of Pakistan for 3 months. The aim of this project is to improve the quality of life of the vulnerable and disadvantaged in the unreached places by demonstrating the love of God through word and deed.

It is my prayer that as you read this request you will consider joining us as a partner in this opportunity to minister to the people living in these unreached places. During team's time in unreached places, team will be carrying out the many tasks that help to spread the word of God.

1. Hosting small group fellowships,
2. Food Nights
3. One on One meetings
4. Relationship building
5. Movie nights
6. Games
7. Sharing the Good News about Jesus with the children and adults
8. Connections and other acts of evangelism will be some of team's day-to-day activities.
9. Teaching life skills
10. Equipping locals

Our team asks that you keep us in your prayers as we try to lead as many souls to God as possible. Being a prayer partner is the most effective way that you can stand by us during this time.
