

WEED FAMILY

FROM **NICARAGUA** TO
ALL OF LATIN AMERICA

Belize and Panama this month was AWESOME!

Our team went to **Belize** this month to start the process of sending Denis and Karen from the pastoral ministry with **Familia Avance Nicaragua** to missionaries for the launch of **Familia Avance Belize**. Kerry and Kristin Mock were a blessing, Mike Kurtz (**Trailhead Intl Board**) may be your mission team leader, Wade and Shannon Cooperrider from Familia Avance didn't miss a moment to cast vision for the cause and God moved!

Heads up: Email Brian Weed for the "Trailhead 2023 Vision Guide".

Panamá was a perfect close to February. We got to see the Kuna people who have accepted Christ, including island

leadership. We were able to see a tournament on the BRAND NEW Avance Sports - Trailhead youth complex and the construction of the church at 50%

completion. We have invested in many church projects in Panama's mainland. The work amongst the Kuna people living in jungles and islands is another level. #uttermostpart
