### DID YOU KNOW THAT YOU CAN BE A PART?

Don't miss out on going global with church planting, building churches and reaching at-risk youth through sports! **We aren't seeking to produce sports champions. We are seeking to reach the lost and plug them into church.** Contact Brian Weed for details.

Avance Sports represents multiple sports disciplines, but the newest center has brought us full circle, back to our roots of boxing in Cuauhtémoc, Mexico! See pics below:
