Salvation, Deaths and Answered Prayers

A Story of Reuben & Jess: Blessings and Tragedy

This year we were able to lead a couple to the Lord and watch them grow - What a beautiful life journey it's been with them. Jess was pregnant and after salvation we held a private, beachside wedding. No frills, just compliance with the Lord. What I've not been able to discuss until now is that during childbirth a series of unfortunate events happened in hospital. Four weeks ago we held a funeral and the couple asked me to bring a strong, loving Gospel message, so I did and we had hundreds hear the Gospel. They have wept, grieved and stood strong in their faith of the Lord and His goodness. It continues to be a beautiful life journey with them.

Please pray for Reuben & Jess

Those Who Have Read Our FB Posts About "Matthias"

Joseph and Shalece, another young couple recently saved in our ministry here gave birth to their first child 10 weeks ago. He was born 11 weeks early.

He was more than premature and every day he hovered between life and death. 3 weeks into it he contracted Meningitis and was life flighted to another hospital. Then they announced he would have cerebral palsy. Through it all many people were praying.

TODAY, Matthias came home !! Praise the Lord for miracles - at this point, he appears to be a perfectly healthy baby!!
