APRIL 2024

PASTORAL NOTE

In Genesis 3:9, God asked His first question in the Bible. He already knew the answer, but wanted Adam to acknowledge his current place in a now imperfect world. Today, God asks us the same question, “Where are you?” May this be our answer. Physically, we are living on planet Earth which results in *purpose*. Spiritually, we are depending on divine grace which results in *pardon*. Mentally, we are thinking on good things which results in *peace*. What is your answer to God’s question?
—Paul
