When Losing People is Giving to Others

PRAISING God for His Goodness

We have started the year out with tremendous battles and GREATER Victories. This year already we have had a family of eight surrender to full time ministry !!!!!

Join us in Praise & Prayer

1. Vehicle Need - It's our continued prayer to be able to raise the remaining funds needed to replace our vehicle to meet our need. We still need to raise the last \$11,000 *Would you pray with us about this great need?*

2. Would you be willing to help by **Sponsoring a Couple in our Bible College?** We have 6 more couples needing sponsoring who want to go and have surrendered, but need help. Our costs are 500. per year per couple.

3. Our 2024 Furlough - *For our Church / Ministry while we are gone and for our travels while Stateside. We are working now (and have been) to train and equip our leaders for this great task while we are absent.*

We have finished up January and February with subtraction and multiplication. We had two families move from the region and the Lord has thankfully supplied two other families, both of which have accepted Christ as their Saviour and are getting into discipleship. The two families that have moved on have been through our college and are going to help other works in different places around the country - WE ARE SO VERY THANKFUL.

We ALSO have new families signing up to go to college, so the work is ever before us. Please continue to pray with us to the Lord of the Harvest to continue to supply. **Thank you for all your prayers.**
