Missionaries!

It was an absolute privilege to spend two weeks with Steve and Laura Pratt, Missionaries to Calgary, Alberta, Canada. After only 18 months from their arrival, they launched Faithway Bible Baptist Church. **Meeting in a Movie Theater, every seat was filled during our visit.**

A female single missionary emailed me two years ago, "**You should write a book about *Behind The Missionary Smile.***"

She continued, "You know, the smile we present to churches & people that says, 'All is well. I'm worthy of your support. But really, behind our smiles sometimes is an entirely different story.'" **So, after two years of writing and 10 edits, it's ready for release September 1st.**

**Would you consider giving each missionary you support a copy of
Behind the Missionary Smile?**

Your continued **love, prayers, and support** helps us help missionaries live and serve stronger and longer. Many Thanks.
