### May - June 2025 Update

Over a year, [Ben Metzger](#), missionary to Argentina, with his team and family, my son Daniel and myself worked on translating into Spanish my Book and Workbook, [Slaying the Dragon - 5 Steps to Help Christians Get Out of Porn.](#)

Here, at the **Purity Retreat in Argentina**, Ben introduces the men to the book and workbook in Spanish, which they will journey through together.

Fantastic to work with the Metzger family on this project! **Under Ben's spiritual care, I pray that these men will flee the bondage of such habits, submitting their total selves to Jesus Christ.**

*It's an incredible work we do together!!!*
