**France**  
**WIN**

Every July, one of our favorite events happens: **Advance Mission Training**. This is where we have the unique opportunity to spend a whole week with new missionaries, witnessing the beginning of their life-changing journeys as they answer God's call.

**We are truly grateful** for your role in making it possible for us to **serve** and form **friendships** with missionaries like these.

**We are truly grateful** for your role in making it possible for us to **serve** and form **friendships** with missionaries like these.
