...ON A STRATEGIC MISSION TO BUILD
A CHURCH WITHIN REACH OF EVERY
PERSON ON EARTH.

46 Nations 300+ projects

Why Partner with Brian Weed @ Trailhead?

Testimonial from a Veteran missionary about Trailhead's impact:

John and Karry Barnes, missionaries for over 50 years, have planted 50+ churches. Their Costa Rica ministry, now spanning multiple nations, includes 70+ churches, impacting 30,000 people, Bible Colleges, a camp, and more. Watch John share how Trailhead International has transformed their work: [\(QR code\)](#)

Your Mission and our Mission come from the same Bible:

We align through our commitment to the Great Commission (Matthew 28:18-20). We are driven to make disciples of all nations, baptizing and teaching them to follow Christ. Trailhead's work—building over 300 churches across 46 nations—directly supports this mission. Together, we can grow this impact as Trailhead partners with you and gets matching donations to double your impact. [\(Trailhead www QR code\)](#)

Let's Engage with an Exciting Vision and Partnership Opportunities:

Let's ignite excitement for missions by sharing a bold vision. Together, we can "Build 50+ churches this year!" Imagine your church positioned to participate in 50+ churches in a year. This starts with personal engagement through this email, a phone call, and resources like the 2025 Vision Guide [\(80+ church vision guide QR code\)](#)
