Argentina Pastors & Wives Retreat

Greetings from Argentina! We've just wrapped up a retreat for Argentine pastors and their wives. Kathy and I shared many sessions, learned, and supported others in ways that we hope will ripple through their ministries.

We've enjoyed staying with [Ben and Rachelle Metzger](#) and their family very much—they've hosted us so generously. Next week, we begin the marriage retreat for Argentine pastors and their wives—many prayers that it will go well and touch the lives of those who need it most.

Thank you for standing with us—your support makes moments like these possible.

“The future is as bright as the promises of God.”
