Dear Bill,

We are looking forward to our trip to the Philippines next month. Our entire workshop team will be traveling to Cebu City to conduct a Missionary Communication Workshop. Twenty missionaries will be in attendance, and seven of us will be serving on the workshop team.

Karen and I will be traveling ahead of the rest of the team. While there, we will meet with two missionaries in Manila. I will be preaching in Sunday services, teaching staff members in two churches, leading three sessions for approximately fifty pastors at a pastors' conference, and teaching public school teachers how to minister to the children in their classrooms.

Please pray with us that all flights will be on time, that the team will remain healthy, that the workshop will be of great benefit to those who attend, and that all the messages and lessons in Manila will be effective.

Thank you for being on our prayer and support team. What you are doing is a big part of making our trip to the Philippines successful.

Lewis McClendon
