Tlapa Pastor's Conference

Dear Prayer Partners,

Thank you for your prayers for the Revival and Leadership Conference in Tlapa during the month of July. The rented auditorium was full with attendees. The preaching was powerful and Christians were praying at the altar after each service. The pastor's wife tells me ten surrendered for full time service, four from the church in Tlapa and six from mountain churches. Six visitors from Tlapa have continued to attend the church.

Planning the Retreat

The church I am referring to is the Iglesia Bautista Monte Sinai, the church my father Dr. Ralph McCoy started at the same time he started the children's home fifty seven years ago. His grandson, my son Dr. Bill Patterson, was one of the speakers at the conference. This is also the church our children at Bethesda attend Sunday morning, Sunday night and Thursday nights. Many of them also participate in the choir and orchestra. We are very thankful our children have these opportunities.

Also in July, we held a children's home staff retreat, this year at a beautiful hotel in Cuernavaca. This is a time of rest and refreshment for them, as well as a time of spiritual encouragement through classes taught by Dr. Bill Patterson. They did a bit of sightseeing, too. Many of them had never been to Cuernavaca before this trip.

Staff Retreat Location

In a picture to the left is a group picture of us in front of the Cortez Palace. Hernan Cortez had some pyramids demolished and used the stone to build this palace beginning in 1526. He used it as his residence and administrative base from 1530-1541, when he returned to Spain.

Our staff is back in Tlapa furiously getting ready to receive the children again the last week of this month. God has provided the extra staff members we needed. Improvements have been made on the facilities. We are excited to welcome the children and encourage them in their education and walk with the Lord. Thank you for keeping us in your hearts and in your prayers. Thank you for holding our rope! We are so thankful for you!
