Dear Prayer Partners,

God has been good to us the past 57 years in the Bethesda Children's Home. There have been trials, for sure, but God has also sent us tremendous victories. The Iglesia Bautista Monte Sinaí here in Tlapa is a very missions minded church. Brother Sergio Tapia, the pastor, says the church is the results of missions and that we now have a responsibility to be a missions sending and supporting church. I recently asked Brother Joel Rojas, the assistant pastor, to give me a list of all the alumni from the Bethesda Children's Home who are now missionaries supported by the church. He gave me a list of twenty-three! This thrills my heart! Besides the missionaries, there are pastors and church staff serving in many parts of Mexico. Yes, God is good!

Our 57th anniversary celebration at the children's home was a blessing. Brother Bill Patterson preached two Spirit anointed messages over the weekend. At least ten were saved. An alumnus, who is a mountain pastor, also spoke. There were three testimonies from alumni. Several area pastors, mostly alumni, came with their families. The children and staff provided special music. We had a delicious meal afterwards of chicken mixiotes, refried beans, salsa, lots of tortillas, and a very large cake.

Years ago, my mother and I were able to collect two sets of the ABeka Bible story flash cards. What a blessing they have been. They cover most of the Bible. It takes us two to three years to go through everything, so we are able to keep using them year after year. The children never tire of hearing the stories. My prayer is it will be true for these children, as it was with Timothy: "And that from a child thou hast known the holy scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus." 2 Timothy 3:15. We are promised His Word will not return void!

We appreciate your continued prayers and support for this great ministry. Help us pray the financial support might be incremented. At times it is very tight, but so far, every bill has been paid. God has met our needs for fifty-seven years and we know He will continue to do so. Thank you for your part! May God bless you!

Because He first loved us,

Becky Patterson
