TRAILHEAD INTERNATIONAL

…ON A STRATEGIC MISSION TO BUILD A CHURCH WITHIN REACH OF EVERY PERSON ON EARTH.

56 Nations 400+ projects

## Thankful: The Kuna Church Is Finished!

We are home from Arraiján, Panamá, and our hearts are full. Alongside Pastor Alex and Pastor Beto, our mission team finished a church facility with the Kuna Indian community, and they worshiped in their own language. At the dedication, **65 Kuna men, women, and young people gave their lives to Christ!**

The team also carried Rapid Food Relief door to door and served at Avance Sports anniversary tournaments. Every bag of food and every game opened a door for the Gospel. **This Thanksgiving, we are thankful for YOU!**

## What God is building through you:

**India:** Two more village churches are finished, painted bright, and already full of worship!

**Cuba:** U.S. churches are stepping up to feed families through our Cuban pastors, men we know personally, as they show Christ's love and make Him known.

**Avance Sports:** Now in 15 nations and 55 locations. Monterrey, Mexico, is planning its first event, and the kids need sponsors!

**The Chest of Joash:** On Giving Tuesday, December 1, we open one campaign for 29 church projects in 16 countries, and it closes at the Ride Extreme Ozarks finish line next June.
